

Missions Training Center Youth Camp Free in Christ Ministries

Purpose

The purpose of **FICMI Missions Training Center** and **Youth Camp** is helping future missionaries draw nearer to God and develop greater converting power for the completion of World Evangelization, so that more will accept the gospel, and come unto Him, in an atmosphere of love, trust, confidence, and respect. Our main purpose is to go and make Disciples of Christ who will influence the world for Christ. **F.I.C.M.I is dedicated to rising up long-term laborers to take the Gospel to all nations.**

"And I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God." (Ephesians 3:17-19)

Objectives

"Declare His glory among the nations.
His marvelous deeds among all people." (Psalm 96:3)
"For the perfecting of the Saints, for the work of the Ministry, for the edifying of the body of Christ." (Ephesians 4:12)

Our main goal is the souls. It is all about them, not about us. And in order to fulfill this goal, we have set some objectives:

1. Training Christian Workers, Ministries, Missionaries and Evangelist for the Service, organizing programs to prepare and mobilize missionaries, including:
 - Missionary trainers
 - Short-term mission trips
 - Un-reached people group evangelization coordinators
2. Writing, editing, publishing and distributing missionary training materials

Missions Training Center Youth Camp Free in Christ Ministries

3. Helping those in need: Homeless, fatherless, widows and those who have not come into the knowledge of Jesus Christ as Lord and Savior.
4. Teaching peoples how to apply the Word of God into their lives so that they may in turn teach others.
5. Bringing to the community an uniquely evidence of the Holy Spirit (according to the book of Acts) and a perspective with an emphasis on the person and the work of Christ and the gifts, fruit and anointing of the Holy Spirit.
6. Helping Churches adopt un-reached people
7. Facilitating a network of missionary trainers who prepare missionaries for Church Multiplication among un-reached people.

Mission Statement

Our mission is to follow the leading of the Holy Spirit in the evangelizing, discipling, and training of both youth and adults for ministry in their communities and abroad.

Vision

Our vision is to reach the people of Chira to the knowledge of Jesus Christ. We want to open doors for native people in Chira Island setting them free from bondage and poverty, so they may achieve specific goals. As a division of the evangelistic outreach we have in mind for the island, this blessing is going to enforce our objectives. Is our desire to build and plant God's kingdom.

Missions Training Center Youth Camp Free in Christ Ministries

Honor Code

Recognizing Jesus as the author and finisher of our faith, and the Word of God as the supreme standard for all wisdom and knowledge, it is our aim to develop ourselves accordingly, realizing that as we seek first His kingdom and righteousness, all these things will be added unto us.

We will endeavor to follow the will of God for our life and to exemplify Christ like character through daily personal prayer, consistent study of the Word of God, and through faithful group worship.

We will endeavor to faithfully give heed to the call God has on our life and to develop the gifts and abilities that God has given us.

We will endeavor to bring glory and honor to the name of Jesus through our ministry and allow the love of the Spirit to flow through us.

We realize that we have been crucified with Christ: and that our lives belong to him. It is our desire to develop ourselves as servants and to seek opportunities to serve, realizing that love exalts and prefers others over self.

As members of this organization we take the great commission as a personal call on our lives. It is our aim to spread the "good news" to every creature and to make the most out of every opportunity to minister.

Dress Code

The Scriptural support for a dress code may be found in 1Timothy 2:9,10; 1Timothy 4:12; 1Peter 3:3,4; and 1Corinthians 6:19-20.

Principles

- The Bible enjoins us to dress modestly, and live not for ourselves but for others. Modesty refers not only to avoiding that which is sensual but also to avoiding that which calls attention to oneself.
- The Bible teaches that we should recognize and honor the God-ordained distinctions between male and female.
- Clothing should be appropriate for promoting the goal of sharing the Gospel. It should therefore be comfortable for the wearer and not a distraction for others.
- Good stewardship requires that clothing be practical and affordable.
- Parents, students and leaders will easily interpret a good dress code.
- Clothing for ministry and school should be distinct from clothing for play or recreation.

Youth Code

All aspects of dress should be neat, clean, and modest. Styles of hair, clothing, makeup and jewelry should be such as are generally acceptable to the majority of Christian believers. No offensive printing or offensive pictures on shirts are allowed.

WOMEN: Modest dress (no tight short-shorts, no shorter than two inches above the knee. no V neck t-shirts, unless with underneath shirt. Tops must fit properly with a modest, well-fitting neckline. Sheer material must have proper undergarments. Tank Tops, Tube Tops, Spaghetti Straps, or bare midriffs are not allowed unless used with undergarments. **Church clothes for Sunday service ... Pants allowed or jeans.** Pants should fit so that undergarments or bare skin are not evident. Shirts with tails are to be tucked in. **No short dresses.** Dresses and skirts must be no shorter than the top of the knee. (Culottes and split skirts will be treated, as skirts if they look primarily like skirts as opposed to shorts). **Use modest makeup.**

Missions Training Center Youth Camp Free in Christ Ministries

MEN: Men are not allowed to wear earrings of any kind. **No shorts inside the church in Costa Rica while performing services. Church clothes for Sunday service: jeans allowed and formal t-shirt.** Shirts with tails are to be tucked in. Properly fastened indoor shoes must be worn in the buildings and outdoor shoes worn outside at all times.

Exceptions

Team Participants may be asked to dress more formally for certain events such as services, concerts, ministry groups, game day for sports teams, etc. Participants are permitted to dress more casually for sporting events, retreats, etc.

Concerning Locals

Begging - We have had a hard time with people begging and expecting Americans to give beyond what we were called to do. It is because of all of these problems that these new rules have been formed. There is a reason for why we do this. If one person decides to break them than the other locals will hear about it and they will begin this unhealthy behavior all over again.

The only thing that you can carry to a local's home is God's Word. Please feel free to collect items to give away while you are in Chira. We have a new process for doing this. We will collect all items to be given away at the beginning of the trip. Then after you are there for a few days, we will pass out cards to those locals who are in great need or friends that you have met. We will have one big Give-a-Way day that you can help with!

Missions Training Center Youth Camp Free in Christ Ministries

Please do not give out money until you have talked with one of the leaders! We will not be paying rent or building houses while we are in Chira. We do not invite our local friends to the Mission Center, as this is the missionaries' living quarters. We have had several things "walk" off the mission. We do not allow for locals to be supported outside of our programs. We can't guarantee that the money you give them is being used correctly.

If a child speaks English than you can assume that several people have already given to these children. You have to imagine that there are several needy children who never get anything because they are shy or don't speak English. It isn't fair for only a few to get things from every single group. This is another reason why these rules are being placed. The people in our programs are not allowed to beg. If someone approaches you for something in our programs, please let one of the leaders know.

General Rules

Devotions and Prayer

- We will meet as a group every day for devotions. We always need song leaders as well! We hope this will be an opportunity for you to expand the talents that God has blessed you with! We also have a Prayer Team available for round the clock prayer coverage. Most groups set up various rotations of individual one-hour shifts while their team is in Chira Island.

Laundry

- Chiran women will provide laundry. This allows them to make a small living helping us out. This service is not included as part of our package. Laundry normally averages from \$1-\$3 depending on the size of the load.

Missions Training Center Youth Camp Free in Christ Ministries

F.I.C.M.I Staff members and leaders are selected for their ability to communicate effectively with youth from a variety of cultures. All staff members are volunteers. They must be ready to share testimonies, teach clinics, give devotionals and mission related activities.

The camp director informs all staff members (in writing) about: camp goals; objectives and philosophy; camp rules; job descriptions; camp schedule; living conditions; use of automobiles and equipment; and alcohol policy. A pre-mission training session enables the director to inform all staff members about FICMI clubs; characteristics of the selected age group; the relationships between staff members; and first aid basics.

Pre-camp training strengthens camp leadership. If possible, additional staff meetings occur during mission trip.
